

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Ammar Harris,

Plaintiff

v.

Charles Daniels, et al.,

Defendants

Case No. 2:22-cv-00293-CDS-NJK

Order Closing Case

Plaintiff Ammar Harris appealed my denial of his motion for reconsideration of the January 12, 2024, order granting the defendants' motion for summary judgment and denying Harris's motion for summary judgment. ECF No. 138. The United States Court of Appeals for the Ninth Circuit affirmed the decision—finding that I properly granted summary judgment because Harris failed to exhaust administrative remedies and failed to raise a genuine dispute of material fact as to whether administrative remedies were unavailable to him—on August 29, 2024. ECF No. 142. Because the Ninth Circuit's mandate issued on September 20, 2024, the Clerk of Court is kindly instructed to close this case.
